

COVID-19 RETURN TO PLAY CHECKLIST

VERSION 1 - AUGUST 20, 2020

This checklist has been developed to support clubs returning to playing under the ACT Government COVID-19 guidelines and restrictions. The key principle for playing must be 'Get in, Play, Get out'.

- NO SHARING OF EQUIPMENT**
Participants, coaches, volunteers and parents understand that there is to be no sharing of equipment - including pads, gloves, protectors, helmets and scoring materials.
- STRICTLY NO CONTACT**
There is to be no contact during matches between participants, officials, coaches and volunteers. This includes high fives, shaking hands and other physical contact.
- PHYSICAL DISTANCING**
All participants, coaches, volunteers and parents observe the physical distancing requirements of 1.5m at all times. No more than 100 people are present.
- STAY HOME IF UNWELL**
Club members are expected to stay home if they are experiencing any flu-like symptoms and/or have been in an area with confirmed COVID cases as per the ACT Government.
- HYGIENE PROTOCOLS ARE IN PLACE**
Regular and thorough hand washing. Kitchens, canteens and changerooms remain closed. Shower before and after training and matches. Disinfect shared items such as iPads.
- REGISTER OF ATTENDANCE**
Ensure someone is responsible for registering the attendance of all those who enter the premises.
- NO SHINING THE BALL WITH SALIVA OR SWEAT**
Ensure that participants understand that they are not to shine the ball with saliva or sweat at any time during matches.

Cricket ACT strongly recommend that all participants, coaches, volunteers and parents utilise the COVIDSAFE app to trace the spread of COVID-19.
